PROFESSIONAL SUMMARY

College instructor committed to helping college students develop their full potential in their studies in both performance and technical fields of theatre. Proficient in various actor training methodologies that challenge and motivate students to develop their individual artistry. Possesses extensive international performance and teaching experience. Dedicated to providing programming, access, and training that celebrates and expresses the diversity of the campus community.

SKILLS

Strong oral communicator and lecturer, and effective written communicator to faculty, staff, and students. Excellent motivational skills when working individually with students. Solid ability to stay organized and on top of deadlines when teaching a full course load. Dedicated to collaboration, both within the performing arts department as well as the college as a whole. Able to adapt to difficult situations with positive energy. Committed to the success of each student.

EDUCATION
